

# LEBALA CAMP

Unbeatable Off-Road Tracking  
KWANDO-LINYANTI

40 times larger than Manhattan, the Kwando Private Concession sits on a critical elephant migration route and is renowned for consistent predator sightings in the lush reaches of Botswana's northern wetlands.

## WHERE ON EARTH?

One of the largest private wildlife reserves in the world. Kwando Private Concession spans 232,000 ha / 573,300 acres in the far north of Botswana. Lebala (Setswana for wide-open plains) has expansive tracts of African grasslands and water-fringed floodplains for tracking predators off-road.

Lebala airstrip is roughly 20-min drive from camp. Light aircraft flight approx 45-min from Maun or Kasane.

Lebala can be combined with Lagoon Camp using a free of charge vehicle transfer. It's a thrilling 3hr route traversing scenic, game-rich areas.
