*Classic-style Safari Camp*
**OKAVANGO DELTA**

*Ebbing waterways of the Gomoti River feed luscious grasslands, and support critical dry season watering points, so game-viewing is great year-round. Favoured by old bachelor buffalo herds, there is often exciting predator interaction.*

## WHERE ON EARTH?

The Gomoti River in the south of the Dinare Private Reserve (NG34) bordering Moremi Game Reserve in a game-rich concession of 27,115 ha / 67,000 acres.

The Sankuyo community directly benefits from each safari. Over 60 employees at the Dinare camps are from the nearby Sankuyo village, and further proceeds support local development (such as household water connections and solar power).

Santawani airstrip is roughly 45-min drive from camp. Light aircraft flight approximately 20-min from Maun and 1h20 from Kasane. 3hr road transfers and self-drive from Maun available too.
